PUBLIC STATUTES, CHAP. 105, SECT. 40, OF DISSOLUTION.

“When a majority in number or interest of the members of a corporation desire to close its concerns, they may apply by petition to the supreme judicial court, setting forth in substance the grounds of their application; and the court, after due notice to all parties interested, and a hearing, may, for reasonable cause, decree a dissolution of the corporation. A corporation so dissolved shall be deemed and held extinct in all respects as if its corporate existence had expired by its own limitations.”

[P. S. chap. 105, sect. 45.]

RETURNS TO BE MADE OF CORPORATIONS DISSOLVED BY THE SUPREME JUDICIAL COURT.

When a corporation is dissolved by the supreme judicial court, the clerk of the courts for the county in which the decree or order for dissolution is made shall forthwith make return thereof to the Secretary of the Commonwealth, giving the name of the corporation dissolved, and the date upon which such order or decree was made.

CERTIFICATES OF PAYMENT AND INVESTMENT OF CAPITAL.

The attention of the officers of corporations is called to the requirements of the corporation laws respecting the filing and recording of certificates of payment and investment of capital. Special attention is asked to the following: Public Statutes, chap. 106, sects. 46, 48, 49, 60, 61.

INDEX, RECORDS, FEES, PUBLICATIONS, ETC.

A card index has been prepared, embracing references to all acts of incorporation and amendments thereto of corporations created by the General Court since the year 1780, and to every certificate recorded in the office under general laws concerning joint stock and other corporations, since the year 1851, when the first certificates were recorded. This index includes corporations created for the following purposes, arranged under their proper classification: manufacturing, mercantile and industrial companies; railroads; street railways; steamboat, towing, express and coach companies; gas and electric,

water supply, telegraph and telephone and water-power companies ; proprietors of common lands, bridges and ferries, breakwaters, buoys, harbors and moorings, channels, locks and canals, dry docks and marine railways ; insurance companies ; savings banks, co-operative banks and safe deposit and trust companies ; asylums ; homes ; dispensaries, hospitals, medical societies ; general charities ; training schools for nurses ; cemeteries ; clubs ; boards of trade ; and associations for educational, religious, mechanical and professional purposes ; also, certificates of condition of Massachusetts corporations since the year 1870 and those of foreign corporations since the year 1892.

The records of religious and benevolent associations date only from the year 1874, when the existing law for their formation, and for the filing of their certificates in the Secretary's office, went into effect. The office has no knowledge of the legal existence of those formed previously to 1874 under general law, as the certificates of such organizations were required to be "recorded in the office of the register of deeds for the county or district" wherein they were located ; nor has it official information of any class of corporations *dissolved* by the supreme judicial court previous to 1880.

Every fee paid into the office for recording under the provisions of chap. 224 of 1870 (P. S. chap. 106), and every subsequent corporation act (as well as those of some years previous), has been made a matter of record with the certificate itself, the money being paid into the treasury at the time designated by the statute. The propriety of such record is not only obvious, but the record has been found to be necessary in order to the just assessment of subsequent fees, dependent upon the amount of payments previously made. (*Vide* chap. 356 of the Acts of 1871, or P. S. chap. 106, sect. 84, 3d cl., as amended by Acts of 1896, chap. 523, sect. 2.)

Abstracts of the annual returns are made and published weekly by the "BANKER AND TRADESMAN COMPANY" of Boston. Other abstracts of the original certificates are made by representatives of the press and others, for the accuracy of which this office is not responsible.
